As a business, choosing which charity to support can be a difficult decision and one which can leave some local groups feeling left out and unsupported.

As a Corporate Friend of Devon Community Foundation, you can make a difference to hundreds of small charities and voluntary groups with just one annual subscription – helping those struggling with disability, deprivation and isolation across Devon.

Signing up means you could help tackle homelessness, provide a lunch club for elderly people, help children with disabilities or fund a club for young carers – to name but a few.

We pool donations from our Corporate Friends, which means your subscription will carry on making a lasting difference in Devon for many years.

As a Corporate Friend you can:

- Help meet your Corporate Social Responsibility obligations with one simple annual donation
- Display the Foundation Corporate Friend logo on all your publicity material to show your Corporate Social Responsibility credentials and support of the local community
- Attend Foundation events and visit projects you have helped to support in your area
- Use your support of the Foundation to generate publicity for your business
- Create a focus for staff fund-raising

All you need to do to become a Corporate Friend is complete the form opposite and send it to Devon Community Foundation.

If you would like to know about setting up a Fund in your Company's name or supporting a Foundation event or publication, call the Fund Development Team on 01884 235887.
